
CONTINENTAL BUILDING PRODUCTS

12950 Worldgate Drive
Suite 700
Herndon, VA 20170

The Collaborative for High Performance Schools (CHPS) has reviewed Continental Building Products' products for compliance with the requirements* of the CHPS High Performance Products Database.

PRODUCTS CSI #: 09 21 16.23 – Gypsum Board Shaft Wall Assemblies **1" Shaftliner Type X, 1" Mold Defense Shaftliner Type X**

The listed products have been determined to meet the requirements of the CHPS Criteria for the following Prerequisites/Credits:

EQ 7.1.6 – Low Emitting Materials: Ceiling & Wall Systems

Expiration Date: 07 Jan 2019

UL GREENGUARD Gold Certificate Nos. 9519-420, 9518-420

The CHPS searchable high performance building products database opened in 2009 with support from the U.S. Environmental Protection Agency and California's Department of Resources Recycling and Recovery (CalRecycle). Our goal is to make products available that help schools meet CHPS and other green building criteria, and deliver environmental and health benefits to their occupants. The database expands on the success of the CHPS low-emitting materials list to include other attributes, such as recycled content and Forest Stewardship Council (FSC) Certified wood products.
