## Thermaflex

381 Carwellyn Road  
Abbeville, SC 29620

The Collaborative for High Performance Schools (CHPS) has reviewed Thermaflex's flexible duct products for compliance with the requirements\* of the CHPS High Performance Products Database.

**PRODUCTS** CSI #: 23 33 46 – Flexible Ducts  
**EverClean™, M-KC, M-KE, and STL**

The listed products have been determined to meet the requirements of the CHPS Criteria for the following Prerequisites/Credits:

### EQ 7.1 – Low Emitting Materials

*Expiration Date: 28 Jan 2019*

UL GREENGUARD Gold Certificate Nos. 4571-420, 345-420, 1027-420, and 1031-420

---

The CHPS searchable high performance building products database opened in 2009 with support from the U.S. Environmental Protection Agency and California's Department of Resources Recycling and Recovery (CalRecycle). Our goal is to make products available that help schools meet CHPS and other green building criteria, and deliver environmental and health benefits to their occupants. The database expands on the success of the CHPS low-emitting materials list to include other attributes, such as recycled content and Forest Stewardship Council (FSC) Certified wood products.
