LOW EMITTING MATERIALS

Laboratory Tested By: Eurofins Scientific

Report Date: 6/13/2018

Test Report Number:

Orient: U806111

Striata Fusion: U804083

Tiikeri: U806109

Reference Standards:

1. US-CHPS Criteria 2014 - <https://chps.net/criteria/chps-united-states>
2. California Air Resource Board Airborne Toxic Control Measure (ATCM) to Reduce Formaldehyde Emissions from Composite Wood: CCR § 93120
3. CDPH/EHLB/Standard Method V1.2 (January 2017)

The Collaborative for High Performance Schools (CHPS) has reviewed the above products for approval as a CHPS Product™ based on compliance with the requirements of the most recent version of the US-CHPS Criteria and for inclusion in the CHPS High Performance Products Database at www.ZeroDocs.com/collaborative-for-high-performance-schools. The CHPS High Performance Products Database is a resource that simplifies the process of identifying and accessing building products that meet rigorous health and environmental standards. The products in this listing meet one or more of the following CHPS criteria: Low Emitting Materials, Recycled Content, Certified Wood, Rapidly Renewable, Environmental Product Declaration, and/or Product Health Information Reporting (HPD).
